Tips from the Panel

This resort has so many cool details and amazing artwork to take in! Voyageurs' Lounge, near Le Petit Café, makes a great quiet place to sit and study the hidden details of this resort, plus, **did you know you can purchase replicas of the artwork from a kiosk in the lobby?**

Its elegant ambiance, fabulous dining experiences, **a pool that is sure to transport its Guests directly to the European Riviera**, and easy access to the convenient Disney Skyliner puts this Resort at the top of my must-do list!

We opted to do 3 Deluxe Studio rooms complete with a 5th Sleeper... each of the rooms sleeps 5 people and **the children absolutely adore the idea of a secret murphy bed with character pictures painted inside.**

My husband and I love to **unwind at some of the quieter pools** at Walt Disney World Resorts Collection Hotels, like the Beau Soleil Pool.

While at Disney's Riviera Resort, make sure you don't miss dining at Topolino's Terrace - Flavors of the Riviera! **Your little one will love having breakfast with Mickey and his pals... be sure to snag your Advanced Dining Reservation 60 days before your trip!**
