The Basics

Disney's Saratoga Springs Resort & Spa is a **short walk away** from the dining, shopping, and entertainment of **Disney Springs**.

This resort has a **quieter feel**, with **beautiful gardens**, two feature **pools**, and a walking bridge to connect the resort to Disney Springs.

The Treehouse Villas are located in a **beautiful wooded area** along the Sassagoula River, and you'll find all the comforts of a **Disney Deluxe Villa**.

I love the subtle nod to **Disney's favorite horses** at this resort.
