

A family of five is walking along a paved path at a resort. In the foreground, a woman with blonde hair, wearing a red patterned shirt and white pants, is looking down at a young girl in a light blue dress. To the right, another young girl in a white tank top with a pineapple graphic and a yellow skirt is running happily. In the background, a man and a woman are walking with a young boy. The resort buildings are multi-story with white railings and blue accents. Palm trees are scattered throughout the scene under a clear sky.

Tips from the Panel

"**I love the large rooms, laid-back atmosphere,** and this resort offers some delicious dining options."

"**One thing to put on your must-do list is to check out Olivia's Cafe. This table-service location at the resort is not to be missed.** I highly recommend their Southernmost Buttermilk Chicken! And since I am usually so full from the chicken, I take a piece of their famous Key Lime Pie back to the room to enjoy later."

"If you are booking with Disney Vacation Club, **I would recommend booking the "Hospitality House" category.** This will ensure you are closer to the main area of the resort where the dining and general store are located."

"Rest assured, that the bus service at Disney's Old Key West Resort is convenient and easy to use. So even if you end up a bit further away (from the Hospitality House), it's not difficult to take the bus to the main area of the resort. **Hop any theme park bus to get to the Hospitality House, and any Disney Springs bus to return to your resort bus stop!**"

"My parents really **enjoy the easy and relaxed atmosphere, large balconies, and the old Florida charm.**"
