Tips from the Panel

My wife and I **had a magical time** staying at Disney's All-Star Sports Resort. This Disney Resort Collection hotel allows you to save money, yet enjoy the many benefits of staying on property.

Preferred Rooms are currently located in buildings 1, 6, 7, or 10, all of which are close by to the Stadium Hall Lobby and End Zone Food Court. While these rooms typically carry a slight price premium, when every second counts, being a few steps closer to these sporty spots can **definitely be worthwhile!**

There are several microwaves in the **End Zone Food Court** that you can use.

This resort hosts many fun activities by the pool, such as tie-dye, bingo, singing, and dancing. Also, consider doing some **off-the-beaten-path activities**, such as playing on the playground or going for a run on the jogging trail.
